MEC2

■ **livecookintable®**

Modular und minimalistisch.

Der erste Baukasten für individuelle F&B Konzepte. livecookintable® ermöglicht es, differenzierteste Kundenwünsche mit geringstem Aufwand zu erfüllen. Im livecookintable® System haben wir alle Produktkomponenten als Bausatz in einzelne, gleichartige, Gastronom-kompatible Segmente klassifiziert. livecookintable® bietet die Möglichkeit, unendlich viele Produktvarianten aus möglichst wenigen Komponenten zusammenzusetzen und untereinander auszutauschen. livecookintable® Montage, Demontage, Umbau, Änderung, Anpassung und Erweiterung ist auf lange Sicht mit minimalem Aufwand gewährleistet.

Modular and minimalistic.

The first Lego-like „Baukasten“ for individual F&B concepts. livecookintable® makes it possible to meet most sophisticated customer requirements with minimal effort. livecookintable® offers an infinite number of applicable solutions by using just a few standardized components with full gastronorm compatibility and the possibility to assemble and interchange an infinite number of product variants from the smallest possible number of components. livecookintable® assembly, dismantling, rebuilding, modification, adaptation and extension are ensured in the long run with minimal effort.

WIR ÜBER UNS ABOUT US

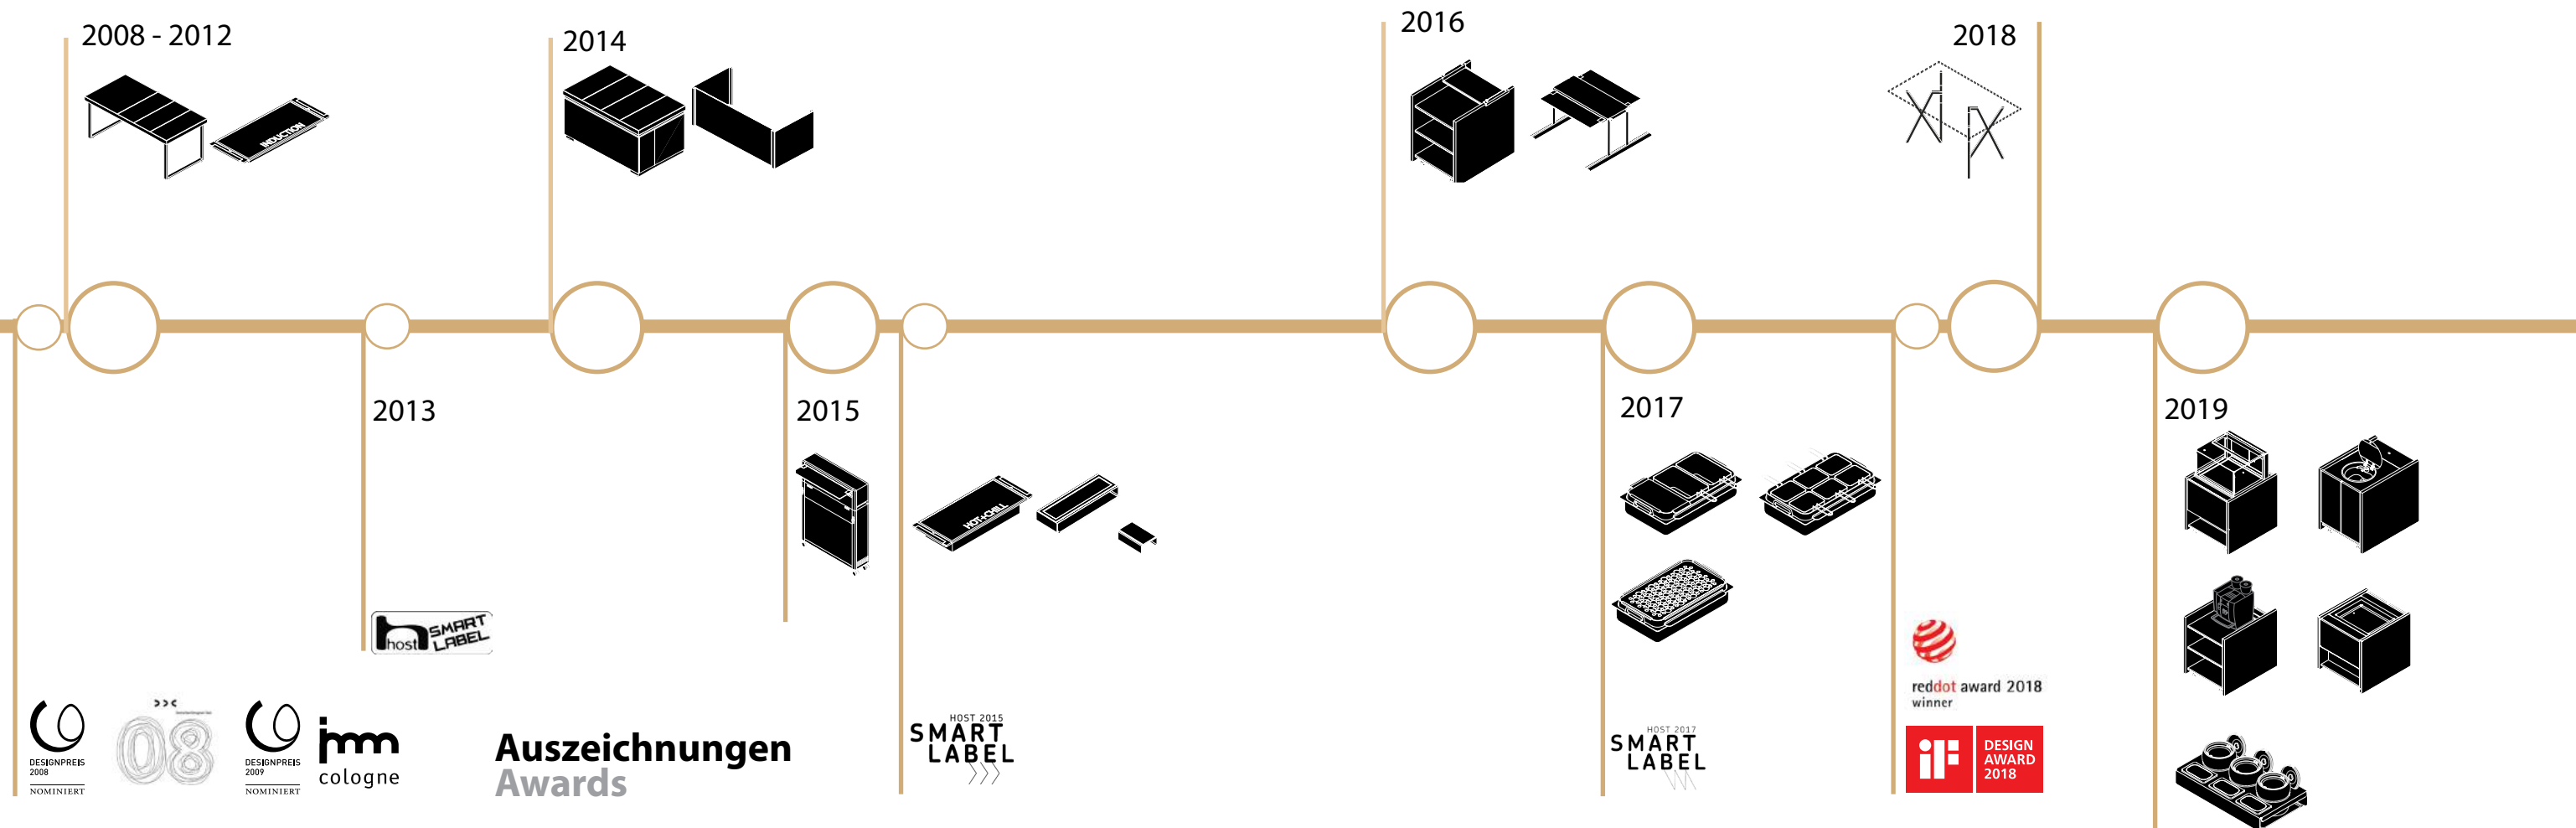

100% echt.

100% Echt. Nichts ist so mächtig wie eine Idee, deren Zeit gekommen ist und deren Wert in ihrem Nutzen liegt. Das ist es, was MEC2 mit livecookintable verfolgt. Wir sind ein Design- und Engineering Unternehmen. Wir entwerfen Produkte so, dass sie richtig funktionieren ohne einander zu stören. Reduktion als Gestaltungsprinzip bei maximaler Funktion - langlebig, nachhaltig und zukunftsorientiert. Denn mehr als die Vergangenheit ist es die Zukunft, die uns interessiert.

100% real.

100% Genuine. Nothings is as powerful as an idea whose time has come and whose value lies in its use. That's what MEC2 intends to do with livecookintable. MEC2 is a design and engineering company. The design methodology ensures that each part functions perfectly without impinging on another. We see simplicity as the ultimate sophistication whilst ensuring each and every product is long lasting, sustainable and future oriented. Future trends are what inspires MEC2. Our design inspiration ensures that our clients are always one step ahead.

Unsere Geschichte Our History

Individualität mit Systemteilen

Individuelle Gestaltung mit System. Den gestalterischen Möglichkeiten sind keine Grenzen gesetzt.

Individuality with systematic design

Design with confidence. There are no limits to the creative possibilities.

ERLEBNIS.**

**COMMUNICATION
INTERACTION
EXPERIENCE.**

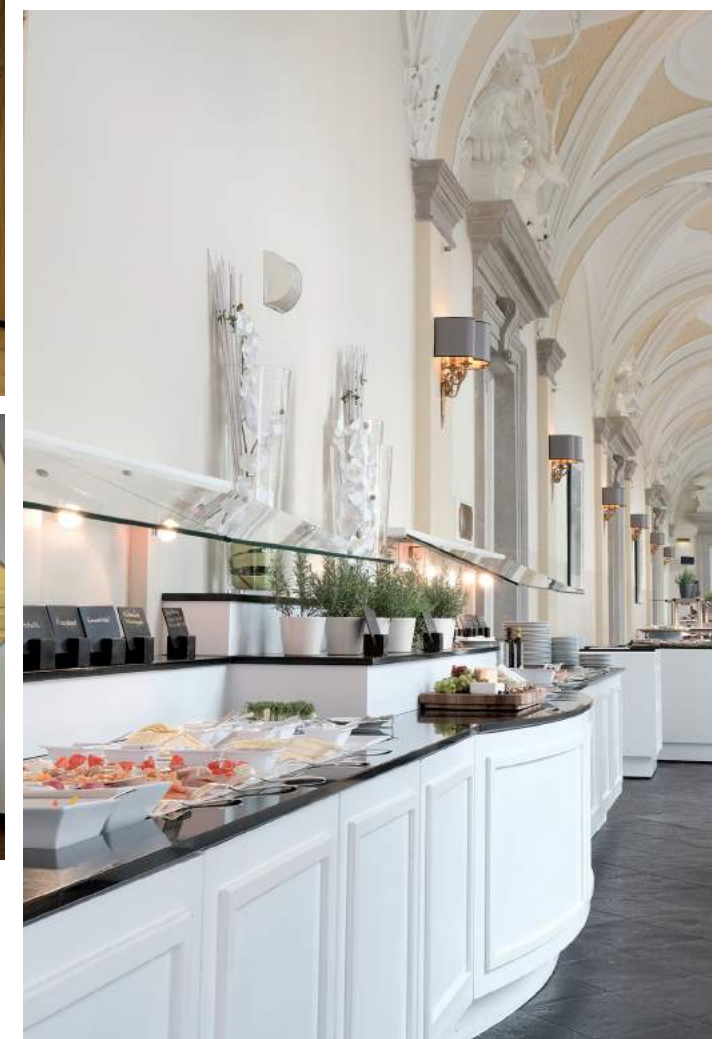

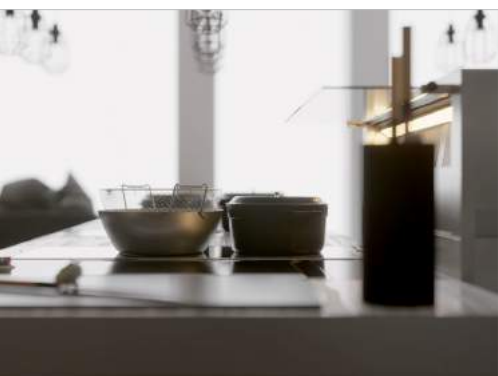

**Perfektion ist 60% Materialwahl
20% Handwerk
20% Kreativität**

Elegantes Design, hochwertige Oberflächen und einzigartige Muster. Es sieht aus wie eine Luxushaushaltsküche und ist tatsächlich eine neue Lösung für die Gastronomie. livecookintable® setzt den Standard: Baukastensystem, austauschbare Kochfelder, leichte Montage ohne Werkzeug und eine intuitive Bedienung. Einfacher Transport in Taschen und Rollkoffern.

**Perfection is 60% material selection,
20% manufacturing skills
20% creativity**

Sleek design, high quality finishes, unique patterns. What looks like a luxury domestic kitchen furniture, is actually a new solution for professional catering. livecookintable® sets the standard: a modular furniture system, replaceable hobs, easy assembly without tools and intuitive operation. Easy to transport in bags and trolleys.

¡Tan sencillo como en Lego! El primer mueble Live-Cooking modular y portátil. ¡Directamente sacado de la bolsa!

Diseño elegante, superficies de primera calidad y prototipos únicos. Tiene el aspecto de una cocina de lujo, pero es realmente una nueva solución para la gastronomía. livecookintable® sienta el estándar: Sistema de muebles modulares, placas de cocina intercambiables, fácil montaje sin necesidad de utilizar herramientas y manejo intuitivo. Transporte fácil en bolsas y maletas con ruedas:

Buffet self-service, casino, restaurante, bar, estación de cocina en vivo, chefs table, cursos de cocina, catering de eventos, salones VIP, almuerzos, buffet, degustaciones, cenas, en centros de congresos, ferias, espacios deportivos y multifuncionales, hoteles y gastronomía

Montaje sin herramientas

En los 3 bastidores de la mesa (pequeño, mediano, grande) pueden colgarse todos los utensilios de forma flexible, ya sea para cocinar, enfriar, asar, calentar o cocinar con el wok. Pueden utilizarse hasta 5 segmentos dentro de un bastidor, mientras que los olores de la cocina se filtran fácilmente a través del sistema móvil de purificación de aire Airwall.
